

MRPA 2009

~ Percy Quin State Park

The 2009 MRPA conference will be Monday, September 21 - Thursday, September 24. This year's conference will be unlike any other. What better place for parks and recreation professionals and industry suppliers to meet than in a park? Having the conference in a park allows MRPA to make some positive changes to the conference.

- Lodging is offered through the park at a competitive rate. Call (601) 684-3938.
- Sponsor displays will be both indoors and outdoors.
- "Group Camp" meals are included in all registration packages.

Do you have an employee who has never been to an MRPA conference? This is the year to attend! First-time attendees who register as a Non-Member will receive a complimentary one-year membership. We look forward to seeing all of our friends at the first ever convention on-site at a park!

New form saves you time. Fill out ONE FORM for up to six people! Remit to: MRPA, PO Box 16451, Hattiesburg, MS 39404. Attach any special accommodations requested.
